INFORMATION DISCLOSURE STATEMENT

In compliance with the concise explanation requirement under 37 C.F.R. §1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of an International Search Report (ISR) from the Japanese Patent Office (JPO) in a counterpart patent application (PCT/JP2004/016007 filed October 28, 2004) citing such documents, together with an English-language version (if not already included) of at least that portion of the ISR indicating the degree of relevance found by the JPO.

Applicant notes for the Examiner's convenience that citation nos. AJ-AO are listed in the International Search Report, and citation nos. AP and AQ are discussed in the instant specification.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. The USPTO is directed and authorized to charge all additional required fees (except the Issue/Publication Fees) to our Deposit Account No. 19-4880. Please also credit any over-payments to said Deposit Account.
